Professional Summary

Creative and detail-oriented marketing professional with 4+ years of experience across digital advertising, account management, and B2B and B2C brand marketing. Experienced in delivering multi-channel campaigns across paid social, search, and programmatic platforms for global and regional brands. Strong track record of working cross-functionally to execute data-driven campaigns, optimise performance, and deliver measurable business impact. Passionate about storytelling, audience engagement, and leveraging insights to drive growth.

Core Competencies

Campaign Execution & Optimisation • Paid Media (Social, Search & Display) • B2B Marketing • Creative Campaign Coordination • Cross-Functional Collaboration • Performance Reporting & Insights • Stakeholder & Account Management • Digital Marketing & Advertising • Market & Competitor Research • Budget Tracking & Campaign Pacing • CRM & Marketing Tools

Professional Experience

Senior Digital Account Executive

The Hoffman Agency | May 2026 – Present | London, UK

- Lead digital account strategy for enterprise B2B clients including TDSynnex, NatWest Boxed, and Cisco Security, managing paid media and campaign delivery across EMEA.
- Manage TDSynnex paid campaigns with budgets of ~£600K GBP spanning multiple business units, optimising performance across Google Ads and LinkedIn Ads.
- Delivered a brand campaign spanning 7 countries, coordinating localisation, paid media execution, and cross-market performance reporting.
- Build, monitor, and optimise paid campaigns across Google Ads and LinkedIn Ads, translating performance data into client-facing reporting and strategic recommendations.
- Develop executive profile and personal branding content for client leadership, alongside organic social media content supporting B2B tech brand visibility across EMEA.

Creative Campaign Manager

Amazon Ads | Oct 2025 – Jan 2026 | London, UK

- Supported end-to-end execution of 240+ multi-market digital campaigns across the UK and EU for brands including EA, PlayStation, Nintendo, Riot Games, Jagex and Embark.
- Analysed campaign performance data across €1.7M+ in media budgets, identifying optimisation opportunities and translating insights into recommendations for internal stakeholders.
- Produced performance reports and post-campaign summaries, synthesising data to support business decisions and inform future campaign strategies.
- Managed 15–25 concurrent campaigns during peak trading periods, coordinating across sales, media, and creative teams to ensure on-time delivery.
- Identified recurring delivery challenges and contributed to process improvements that enhanced campaign workflow efficiency.
- Coordinated delivery across Amazon DSP, Twitch, Prime Video and Fire TV, ensuring quality and consistency across formats and markets.

Freelance Account Manager

Matcha Marketing | Dec 2024 – July 2025 | Hyderabad, India

- Managed digital campaigns for 6–7 clients across lifestyle, F&B, real estate, and government sectors, supporting strategy development and execution across multiple channels.
- Analysed engagement and performance data to identify trends and refine content direction, contributing to approximately 30% audience growth and 25% increase in engagement.
- Built client-facing dashboards and reports using Google Sheets and Data Studio, improving visibility on campaign outcomes and supporting data-led decision making.
- Conducted market and competitor research to inform targeting strategies and campaign positioning.

Account Manager

Outline Media | Aug 2024 – Nov 2024 | Hyderabad, India

- Delivered integrated B2B-focused marketing campaigns across digital, social, and offline channels for 6–7 real estate clients.
- Worked closely with senior stakeholders and leadership teams, including Vamsiram Builders (~£14M turnover), to execute strategic multi-channel campaigns aligned with business growth objectives.
- Led execution of the “Women of Vamsiram” campaign, driving a 35% increase in engagement and strengthening brand positioning among key stakeholder groups.
- Partnered with performance marketing teams on lead generation campaigns, contributing to 1,000+ qualified leads through targeted audience segmentation and messaging.
- Monitored campaign performance, competitor activity, and market trends to optimise targeting, messaging, and channel mix.

Senior Associate – Branding

Oliva Skin & Hair Clinics | Jun 2023 – Jul 2024 | Hyderabad, India

- Conducted market and competitor analysis across 25+ global clinics to support international expansion into the UAE.
- Coordinated large-scale influencer and digital campaigns across 35+ clinics, managing 15–20 influencers per metro.
- Oversaw production and rollout of 120+ monthly content assets, tracking engagement, enquiries, and conversion metrics.
- Supported brand consistency through the development of corporate and clinic-level branding materials.

Account Executive

Red Matter Technologies | Jun 2020 – Oct 2022 | Hyderabad, India

- Supported execution of integrated digital campaigns across paid social, paid search (Google Ads), and organic channels (SEO & content) for healthcare, lifestyle, education, retail & event clients.
- Assisted in managing and optimising campaigns across platforms, including Meta Ads Manager, Google Ads, and LinkedIn Campaign Manager, contributing to improved campaign performance and efficiency.
- Monitored and analysed campaign performance metrics (CTR, CPC, conversions), providing insights for optimisation and reporting.
- Supported LinkedIn marketing initiatives for B2B audiences, including audience targeting, content promotion, and campaign tracking.
- Contributed to campaign reporting, keyword research, and cross-team coordination to ensure smooth execution.

- Assisted in campaigns, generating 1,000+ event sign-ups and 4,000+ e-commerce purchases.
-
